

A decorative border of yellow pencils surrounds the central text. The pencils are arranged in a rectangular frame, with two pencils at the top, two at the bottom, and three on each side. The background features a red vertical line on the left and blue horizontal lines, resembling a notebook page.

There will be no test on the last week. Thank you for all of your hard work with spellings during Year 1! 😊

Please practise spelling these words. You could:

- Log on to Spelling Shed (www.spellingshed.com) and play games for each spelling list.
- Other online games and apps to try: Squeebles, Spelling Hangman, Spelling Frame.
- See how many times you could write them in a minute.
- Practise writing them on your hand, in sand, with chalk outside, with paint, in different colours.
- Make a word search or try to find them in your favourite books.
- Jumble the letters up and put them back together again.

It is also important to practise saying as well as writing the words.

Use the 'fun ways of practising spellings list on our class page for more inspiration!

When you know them...

- Practise using each word in a sentence.
- How many smaller words can you find in each word?
- How many other words can you make by adding prefixes or suffixes?
