

DERBY & DERBYSHIRE

Autism Information & Advice Service

Join us for our FREE online Autism Awareness workshops for parents and carers in Derby and Derbyshire!

Our free online workshops help parents and carers improve their understanding of autism, whilst providing practical tips, strategies, and guidance to help families support their autistic loved ones with confidence.

Learn more about:

- Neurodivergence and autism
- The core characteristics of autism
- Sensory processing and masking
- Strategies to support autistic children and young people at different life stages

To sign up - get in touch or visit our Eventbrite page @ [Autism Information and Advice Service](#)
