

Summer Holiday Club

It's so exciting to be exploring the world with you through fun games, mysteries, crafts, recipes and more!

Through the holidays, you can follow along each week with themes, such as dinosaurs, space or under the sea!

There are **three** ways you can charter your journey:

1. Print and fold together a holiday fun passport, then draw or cut out the stamps from the activity sheets to stick into the passport pages and record what you've been up to.
2. Use the colouring sheet for each week to note the activities you've been up to (and have fun colouring in). By the end of the six weeks, you'll have a giant map made up of the six colouring pages put together.
3. If you don't have a printer at home, you can create your own special maps and passports too!

We hope you find the information on our website and resources useful. As far as possible, the contents of this resource are reflective of current professional research. However, please be aware that every child is different and information can quickly become out of date. The information given here is intended for general guidance purposes only and may not apply to your specific situation.

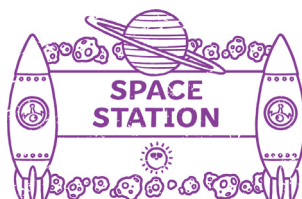

Locations

Each week, you'll 'visit' a new location based on one of the following themes:

Week 1

Week 2

Week 3

Week 4

Week 5

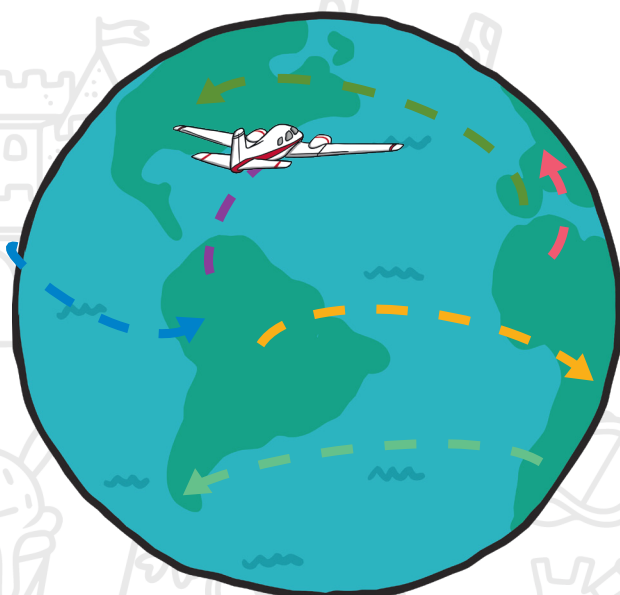

Week 6

We hope you have a wonderful summer!
