## What is this resource and how do I use it?

Introduce this **Visual Timetable for Summer Holidays** to your child to support them in understanding their daily routine over the summer. There are two options to choose from depending on how much your child can process: one with three spaces for things happening now and next, and one with six spaces to lay out more of the day.

## What skills does this practise?

Daily routine

Visual Aid

Plan

## Further Activity Ideas and Suggestions

We have a range of resources to support your whole family's wellbeing on our [Health and Wellbeing hub](#). To support you in establishing routines at home, take a look at our resources [here](#).
