Aiming High Together

Dear Parents and Carers,

Your PTA needs your help!

As you know The Dovedale Association have entered Dovedale Primary School into the Long Eaton Carnival on Saturday June 20th. We have been lucky enough to have a float for the 4th year now.

(Please refer to the carnival letter which is on the school website for more information on how you can participate).

This is where we need your help!

Firstly, on the day of the carnival we are still in need of Marshalls. You can opt to be a Marshall when you book your child a place in our parade or separately on the same portal. This means that rather than fully dress up we ask that you wear a hi-visibility jacket and help us keep the children safe whilst on parade. We'll share the key information with you before the event.

Secondly, it is a very large space to fill and whilst the year groups are working hard to make items for us, along with the fantastic craft club which have been making items, we need more.

So, if you are looking for ideas of what to do with the children over the half term holidays, save some cardboard and get creative!

Our theme this year is "SPACE" to fit the carnival theme "Through the Decades".

Get your thinking caps on and get creative. You'll find ideas and guidance on what to create on the following page.

Any creations made need sending into school on or before Friday 19th June.
