

Dear Parents, carers and pupils

As promised in my recent letter the directors of the trust are launching a competition for pupils to design the logo for the newly combined Willows and Believe Academy Trust under the new name One Academy Trust. Below is some information to help you with your design I have included some examples of logos to help you with your ideas. If you want to take part please submit your design on plain white paper and don't forget to put your name on and return to your school's office by the 9th June.

The directors will be judging your designs and I am sure there will be a small prize for the winner plus the honour of your design representing the new trust.

Kind regards

Mrs J. Haigh (CEO)
