

SCIENCE POSTER COMPETITION

Get creative and enter the British Science Association's annual poster competition, on the theme of **growth**. Your poster could explore a tadpole's journey into a fully grown adult frog or look at the ways population growth is affecting the planet. It can be based on anything relating to growth.

The five best posters from our school can be entered into the UK-wide competition with the **chance for students to win an array of prizes including a special GeoSafari vega 360 telescope.**

Judging and rules:

- Posters will be judged on creativity, how well they fit the theme and how well the poster has been made or drawn.
- No 3D models -2D only.
- A4 or A3 size entries only please.
- They must be hand created and not use templates. It must be your own design.

Posters will not be returned to their creators. If you wish to retain your poster you may take a picture or copy for yourself and submit the original.

Submitting your design:

Please hand in your poster to **Mrs Ganguly by Friday 1st April 2022.**

The five winners of the school competition will be announced shortly after that date.
