Thursday 2nd December

Dear Parents/Carers

As you may be aware, your child will be taking part in Y6 Standard Assessment Tests (SATs) in May of this year. These are designed to assess the knowledge of the children in line with the KS2 curriculum.

We would like to take the opportunity to invite you to an information evening about the SATs where we will cover things such as:

- What they are
- Why they are important
- When they will take place
- How you can help the children prepare

The evening will take place on **Thursday 16th December** starting at **4:45pm**. The event will run for approximately 30-40 minutes and you will have the chance to answer any questions at the end should you wish to.

COVID 19 INFO – We ask that only one parent per child attends the meeting and that masks are worn. The space will be ventilated so you may wish to wear a warm coat. We would also appreciate if lateral flows are taken if you haven't already done so recently. Due to the available space children should not attend, but they can be supervised during the talk in a classroom if childcare is an issue.

For those who cannot make the evening, we will make the slides available after the event. We look forward to welcoming you to the event and please get in touch with us should you have any questions prior to the evening.

Kind Regards

Mr McCarthy and Mrs Kelly
