22nd September 2020

Dear Parents and carers,

As part of the children's learning in school they are using the iPads for things such as Lexia, spelling shed and TT rock stars. This often involves them having to use head phones to enable them to hear the personalised learning activities set for them.

While we do have some sets of headphones in school for the children to use, we are very conscious, in the current situation, of the hygiene of sharing such equipment. While we are cleaning the headphones after every use we feel that it is safer if, where possible, the children have their own set of headphones that are kept in school.

We are therefore asking that the children bring into school a pair of cheap headphones that are clearly named and placed in a small zipped or tied plastic bag that is also clearly named. The children will then just use their headphones which they will keep in their tray in the classroom.

Headphones can be sent into class at your earliest convenience.

Thank you for your support.

Yours sincerely

Miss Martin.
