As a school we are committed to meeting the needs of all of our children and recognise that parents may need childcare facilities.

Our wrap around club aims to offer children a safe and stimulating space to play and learn before and after school and during the school holidays.

Children are provided with a range of age related activities, breakfast, snack and tea. Children can access a quieter space for completing homework tasks if they so wish and we have a large outside playground for active sessions.

During the summer there will be at least one outside trip provided for the children attending.

Availability

Our club is very popular but we aim to provide provision for all pupils who require a regular space. Please contact Berni, the Manager on 07707526903 if you wish your child to attend any of the sessions.
