September 2026.

Intent	Implementation	Impact
At Dovedale Primary School, our intention for Special Educational Needs and/or Disabilities (SEND) is to ensure that all children receive a high-quality and ambitious education regardless of need or disability. We believe that it is vital that our pupils are equipped with the tools needed to become independent, inquisitive learners both in and out of the classroom. Through our high-quality planning, teaching and provision we: • Pride ourselves on early identification and intervention for SEND to ensure that progress and opportunities are maximized. • Ensure that all children have access to a broad and balanced curriculum which is differentiated to enable children to understand the relevance and purpose of learning. • Provide an accessible learning environment which is tailored to the individual needs of all pupils.	At Dovedale Primary, every teacher is a teacher of SEND. As such, inclusion is a thread that runs through every area of the school enhanced by collaboration between SLT, teachers, teaching assistant's external agencies, parents and most importantly, the children. At Dovedale, pupils with SEND will: • Be included in all aspects of the school day • Be provided with quality first teaching, differentiated to their needs. Be respected and their contributions valued and acknowledged. • Have access to differentiated knowledge organisers for all subjects. Pupils with SEND may: • Have specific 1:1 or small group intervention to support their Phonics, Maths or English learning.
