Super Speller's challenge!

Can you think of other words for each spelling rule?

Three of your own words = 1 merit

Remember they must fit the spelling rule, and be spelled correctly!

(Please note that where the list is 'Challenge words' they are irregular words with no specific rule to learn).

Please practise spelling these words. You could:

- Log on to Spelling Shed (www.spellingshed.com) and play games for each spelling list.
- Other online games and apps to try: Squeebles, Spelling Hangman, Spelling Frame.
- See how many times you could write them in a minute.
- Make a word search or try to find them in your favourite books.
- Jumble the letters up and put them back together again.

It is also important to practise saying as well as writing the words.

When you know them...

- Practise using each word in a sentence.
- How many smaller words can you find in each word?
- How many other words can you make by adding prefixes or suffixes?
